

Hello,

My name is Jasica and I'm the new Sunset Community Engagement Specialist. I'm looking so forward to meeting you, learning more your neighbourhood and how we can make it an even better place to live! Your ideas, gifts and talents are what make it all possible. So, let's connect.

A bit more about me – I've called Vancouver home for the past 11 years and love it! I also like jokes, reading and working in coffee shops, so if you'd like to chat - send me an email at JasicaG@uwm.ca and we can grab a coffee or tea and talk about your wishes for the community you live in and love.

Community Builder Amie Peacock weaves her magic in Sunset

Thirteen of your friends and neighbours are getting hands-on training in community building at the Sunset Community Centre with community builder extraordinaire and Beyond the Conversation founder, [Amie Peacock](#) (that's her with the beautiful head of white hair).

Amie's passion is bringing people together to create a sense of belonging and connection. Throughout February and March, her Community Immersive Leadership Training will help area residents learn how to inspire and lead neighbourhood change. Look for great things to come out of this exciting workshop.

Little Libraries in the 'hood

You may have seen little houses just like the one above on city streets. [Little Libraries](#) are a great way to meet other kids, the family down the street and the senior you see walking to the grocery store. That's because they're so much more than a book swap. They're "bumping places" where your, your child or your grandchild can not only pick up a book – you can get involved in your community and make new friends.

Want to write a new chapter in Sunset? We can help you build your Little Library by covering the cost of installation. Find out how you can become a Little Library Steward. Contact me at the email or number below. I'm happy to help.

Got ideas for celebrating Spring?

Maybe you want to start a community garden or host a backyard party. If you want to bring neighbours together here in Sunset, United Way offers funding to support your community-building ideas!

[Apply to our Local Love Fund](#) today. We grant up to \$1,000 for projects that increase community connections and belonging. Not sure where to start? I'd love to chat. You can reach me at JasicaG@uwlm.ca or give me a call at 604-614-6174.

Let's connect,

Jasica Grewal

Sr. Community Engagement Specialist
